Service Driving Test - Regular Car / Pick-up Truck

Effective April 1, 2015, completion of Impact Texas Teen Driving (ITTD) will be required for all individuals that have received a DE-964 and have taken a teen driver education course. The ITTD Certificate of Completion must be presented before taking a drive skills test. The ITTD Certificate of Completion must be dated within 90 days of the drive skills exam. Complete ITTD requirements may be viewed at: <https://impacttexasteendrivers.dps.texas.gov>. This driving test is for Class C licenses (passenger cars) only, not commercial driver license (CDL) tests. WHO CAN SCHEDULE A DRIVING TEST ONLINE? · A teenager who has held a valid Texas learner license for six months and is at least 16 years of age; OR · An adult who has already applied for a driver license and has passed the knowledge test. If you are not part of the two above groups, please visit a driver license office to schedule a driving test appointment. An applicant for a minor's restricted driver license (hardship license) cannot schedule a driving test online. He or she must schedule the test in an office. PREPARING FOR YOUR DRIVING TEST To make sure you have everything you need for your visit, please carefully review what you will need to apply for a driver license at <http://www.dps.texas.gov/DriverLicense/ApplyforLicense.htm> and bring the following items to your appointment: 1. Your Texas learner license or Texas driver license with B restriction; 2. The driving test fee (<http://www.txdps.state.tx.us/DriverLicense/dlfees.htm>) or the payment receipt if you already paid. (Note: payment is good for only 90 days. The date of expiration is listed on the payment receipt. You will be required to make payment again after expiration.); 3. If you are younger than 25, bring proof of driver education. Depending on the type of class you took, you will need to provide one of these documents: · Texas Driver Education Certificate (DE-964) and driving logs · Parent Taught Driver Education Affidavit (DL-90B) and driving logs · Adult Driver Education Certificate (ADE-1317) 4. If you're under 18, a Verification of Enrollment (VOE) form, high school diploma or GED; 5. Proof of current liability insurance (in paper format - proof via smart phone will not be accepted) for the vehicle to be used for the road test; 6. A vehicle for the road test that meets all of these requirements: · Current registration sticker; · Current inspection sticker (not required if you are borrowing the vehicle and it is properly registered in a state that does not require a sticker); · Two license plates with the front plate attached to the bumper (not required if you are borrowing the vehicle and it is properly registered in a state that does not require two plates); · No unusual mechanical issues (such as having doors that do not open from inside or outside the vehicle – this will result in failure of the vehicle inspection); AND · All of the vehicle safety requirements described at: <http://www.dps.texas.gov/DriverLicense/documents/drivingtestrequirements.pdf>. Note: If you use a rental vehicle for the test, the person taking the driving test must be listed on the rental agreement as an authorized driver. You must show proof that the rental vehicle is covered by liability insurance either by accepting the liability damage waiver when you rent the vehicle or by

showing proof that your personal auto liability insurance covers rental vehicles. NO additional passengers (this includes infants, children, family members and / or friends) will be allowed in the vehicle during the driving test. Please arrive one hour early for your appointment for processing and/or payment. If you do not arrive one hour early, your appointment may be rescheduled. Appointments must be scheduled using the customer's Texas driver license number or learner license number. Otherwise, the appointment will be canceled. Customers may only schedule one appointment.
